

EVERY TRUCK BED WILL HAVE THE SAME PROBLEMS . . .

DAMAGE & CORROSION

PROTECT YOUR VEHICLE WITH THE DURABILITY OF A SPRAYED ON PROTECTIVE LINER!

TOFF sprayed-on coating forms a permanent watertight seal between the truck and the outside environment, protecting it from corrosion, rust, scratches, scrapes and dents.

- Skid Resistant
- Rust Resistant
- Chemical Resistant
- Affordable
- Sound Resistant
- Impact Resistant

Trained spray technicians use state-of-the-art equipment that insures a uniform texture with a factory-installed look that will protect your vehicle for years of trouble free hauling.

Other uses:

- Trailers
- Buses
- Boats
- Vans
- Rocker Panels
- Dump Trucks
- Refuse Trucks
- Tool Boxes

Cheaper Than Re-painting?
